

Spur Elementary

Recorder Band Policy

Dear Parents,

We have started off to a great year in Music and we are looking forward to getting our Recorder Bands up and running. The purpose of this Policy is to not only insure proper care of Spur ISD equipment but to also to help teach students responsibility of taking care of what is theirs or what has been issued to them.

Each student in Grades 3-4 will be issued one recorder to be used for this school year. They will be identified by number and trusted in the students care. The student is responsible for any lost, stolen, or damaged recorders while they have been issued their instruments. **If a recorder is lost, stolen, or damaged the student will be responsible for the replacement cost of \$5 payable to Spur ISD.**

These recorders are of good quality and may not be replaced with a cheaper alternative. The student will be issued another recorder when the \$5 has been paid. If you have any questions or comments, please feel free to contact me. This will be a fun time for the students as they begin to learn how to read music and form a band. Thank you for your support and I am looking forward to continuing a great year!
